Welcome from the Chairman

I'm pleased to present N.M. Superannuation Proprietary Limited's annual report for the year ended 30 June 2019.

I joined the board of N.M. Superannuation Proprietary Limited (Trustee Board) in September 2018 and stepped into the role of Chairman in May 2019.

I accepted the role because I believe that we have an important role to play in the financial wellbeing of our members. I acknowledge that it has been a challenging year with significant public and regulatory scrutiny, but I want to assure you the Trustee Board is focused on meeting the expectations you had when you joined the fund.

Our renewed approach

The Trustee Board, along with AMP, are focusing on changing and improving through a number of areas, including:

- maintaining an autonomous and effective trustee
- producing sustainable outcomes for members
- delivering competitive investment returns
- developing successful and appropriate strategic partnerships.

We've recently appointed two highly accomplished directors Catherine McDowell and Stephen Roberts and intend to expand the Board from four to seven people.

And I extend my personal thanks to the retiring directors Louise Dudley, Cathy Doyle, and in particular the previous Chair Rick Allert, for their commitment and service.

Your feedback is welcome

Thank you for choosing AMP to help you achieve your financial goals. Keep reading to find more information on the fund and it's management plus recent superannuation and industry developments.

If you have any questions about your super account please contact us on 1800 667 841.

Tony Brain

Interim Chair, N.M. Superannuation Proprietary Limited

Super fund information

The trustee

The trustee of the fund is N.M. Super, which is a wholly owned subsidiary of AMP Life¹. N.M. Super has been granted a licence by the Australian Prudential Regulation Authority (APRA) to act as trustee.

The trustee:

- is responsible for all aspects of the operation of the fund
- is responsible for ensuring that the fund is properly administered in accordance with the trust deed and policy documents, and
- ensures that the fund complies with relevant legislation, that all members' benefits are calculated correctly and that members are kept informed of the operations of the fund.

The trustee may amend the trust deed of the fund following changes to the law or to introduce new features. The trustee can only amend the trust deed of the fund with the consent of AMP Life. For a copy of the trust deed of the fund please contact us, or download from amp.com.au/trustee-information.

The board of directors

The directors of N.M. Super are also directors of AMP Superannuation Limited, which is another superannuation trustee and also part of the AMP group. The boards of each trustee maintain a framework for the management of conflicts of interest and conflicts of duties, which is documented in the **Conflicts Management Policy**. The framework provides for the identification, recording, management and monitoring of conflicts in accordance with applicable laws and regulations. The directors during the fund's financial year were:

Rick Allert (AO), Independent Non-Executive Chairman FCA

Louise Dudley, Independent Non-Executive Director BCom, CA, GAICD

Darryl Mackay, Non-Executive Director BSc, FIAA, MAICD

Tony Brain, Interim Chairman B Com, CAANZ, ASFA Certificate IV Superannuation, GAICD, FAIST

Cathy Doyle, Independent Non-Executive Director B SocSc, Grad Dip Psy, Grad Dip VET, MBA, GAICD, GAIST, Cert Governance.

The fund was established in September 2007.

Wealth Personal Superannuation and Pension Fund (the fund) is registered with APRA and is a resident regulated superannuation fund within the meaning of the Superannuation Industry (Supervision) (SIS) Act. The fund is a complying superannuation fund for the purposes of the Income Tax Assessment Act, constituted under a deed.

The fund can accept transfers and rollovers as permitted by the trust deed and rules of the Wealth Personal Superannuation and Pension Fund. Upon receipt of any transfers and rollovers, we will maintain and preserve the benefits in the fund to the extent required by the SIS Act and Regulations.

The trust deed of the Wealth Personal Superannuation and Pension Fund complies with the preservation and portability standards imposed on complying superannuation funds under the SIS Act and Regulations.

The trustee also maintains indemnity insurance for protection against losses that may occur as a result of a claim against it for breach of professional duty.

Relationship between the trustee and other service providers

The trustee invests in a wide range of investment options. AMP Capital, AMPCFM, ipac and NMFm are members of the AMP group and are also the responsible entities for a number of these investment options.

AMPCFM, ipac and NMFm are responsible for the selection and ongoing monitoring of fund managers for investments operated by them, and are entitled to change fund managers or asset allocations at any time without notice to members invested in the portfolios, including the Wholesale Cash Fund. For a full list of these investment options, refer to the MyNorth, North, Summit or iAccess investment options documents, or the Generations investment options PDS² available on northonline.com.au.

Where the trustee invests money of the fund, it must deal with the other party to the transaction at arm's length or on arm's length terms.

The trustee has appointed NMMT as agent for the provision of services to the fund. This includes selecting the range of investment options made available and appointing the custodian to hold all assets in the fund. The trustee reserves the right to change the custodian without prior notice to members. AMPCFM, ipac, NMFm, AMP Life and NMMT may receive a fee for the services they provide.

2 PDS is also known as a Product Disclosure Statement.

Update on government legislation

Please be advised that while the following updates are as a result of changes to superannuation and taxation law, not all are available or applicable to all products. For more information, please contact your financial adviser or the North Service Centre on 1800 667 841.

Changes to personal income tax rates

The government previously announced and legislated tax cuts in the 2018 budget. In the 2019 budget, the government proposed a combination of changes to tax offsets, marginal rates and income tax brackets, which have become law.

For the 2018/19 to 2021/22 financial years (inclusive), tax payable by low to middle income earners will reduce by up to \$1,080 (up from the \$530 in the 2018 federal budget), when compared to the 2017/18 financial year.

Further changes have been legislated to reduce tax payable by individuals from 1 July 2022 as outlined in the table below.

Marginal tax rate (%) ⁽ⁱ⁾	Thresholds - income range from 1 July 2018 (\$)	Thresholds - income range from 1 July 2022 (\$)
0	0 – 18,200	0 – 18,200
19	18,201 – 37,000	18,201 – 45,000
32.5	37,001 – 90,000	45,001 – 120,000
37	90,001 – 180,000	120,001 – 180,000
45	>180,000	>180,000
Low and middle income tax offset	Up to 1,080	n/a
Low income tax offset	Up to 445	Up to 700

(i) Excluding 2% Medicare Levy

Additional changes to tax rates have been legislated from 1 July 2024 onwards. For further information see ato.gov.au.

Superannuation Guarantee (SG) rate – no change

The SG rate will remain at 9.5% until 30 June 2021, and will then increase by 0.5% each year until it reaches 12% from 1 July 2025.

Super thresholds for the 2019/20 financial year

The following super and taxation threshold amounts apply during the 2019/20 financial year. Please refer to your relevant product disclosure statement (PDS) and additional information booklets for an explanation of each of these threshold.

Threshold	From 1 July 2019
Standard concessional contributions cap (per annum)	\$25,000
Non-concessional contributions cap	
– Standard (per annum) ⁽ⁱ⁾	\$100,000
– Bring forward (over 3 years) before age 65 ⁽ⁱⁱ⁾	\$300,000
SG maximum contribution base (per quarter)	\$55,270
Government co-contributions ⁽ⁱⁱⁱ⁾ (per annum)	
– Lower income threshold	\$38,564
– Higher income threshold	\$53,564
Tax free part of genuine redundancy and approved early retirement scheme payments (per payment)	
– Base limit	\$10,638
– Plus for each completed year of service	\$5,320
Low rate cap amount (lifetime limit) (previously known as post June 1983 low tax threshold) Applies to the taxable component of taxed super fund benefits for members from preservation age to age 59	\$210,000
Untaxed plan cap amount Applies to the taxable component of untaxed super fund benefits	\$1,515,000
Employment termination payment cap (ETP) (per annum)	\$210,000
Capital gains tax (CGT) cap amount (lifetime limit)	\$1,515,000
Transfer balance cap	\$1,600,000
Defined Benefit income cap	\$100,000
Maximum adjusted taxable income for the full government low income super tax offset (LISTO)	\$37,000

(i) The cap is nil for members with a total superannuation balance of over \$1.6 million (at 30 June of the year before making the contribution).

(ii) There are restrictions on the ability to trigger bring forward rules for certain people with total superannuation balances of more than \$1.4 million (at 30 June of the year before making the contribution).

(iii) The maximum entitlement remains at \$500 and applies where at least \$1,000 non-concessional contributions have been made in the financial year and the person does not exceed the lower income threshold.

Contributing to super after you're 65

To contribute to super between the ages of 65 and 74 you must generally meet gainful employment requirements (more commonly known as the work test) or you qualify for the work test exemption (which applies from 1 July 2019).

You are gainfully employed if, at the time of the contribution, you have worked for gain or reward for at least 40 hours within a period of 30 consecutive days in that financial year.

You meet the requirements of the work test exemption if you satisfy the following conditions:

- You aren't gainfully employed in the financial year you make the contribution, and
- You were gainfully employed in the previous financial year, and
- Your total super balance was below \$300,000 on 30 June of the previous financial year, and
- You have not previously made contributions to super under the work test exemption.

Unused concessional contributions carry forward

The 2019/20 financial year is the first year you can carry forward unused concessional contributions accrued from the 2018/19 financial year if you have a total superannuation balance of less than \$500,000 on 30 June 2019.

If your superannuation fund(s) received less than \$25,000 in concessional contributions in 2018/19, you can effectively carry forward the difference to increase your concessional contributions cap in 2019/20, providing your total superannuation balance on 30 June 2019 was below \$500,000.

Capped fees for low balance accounts effective from 2019/20 financial year

If your super account balance is less than \$6,000 at the end of the fund's income year (30 June), the total combined amount of administration fees, investment fees and indirect costs charged to you is capped at 3%. A pro rata fee cap will also apply if your account balance is less than \$6,000 immediately before you exit the fund. Amounts charged in excess of the cap will be refunded.

Transferring low balance accounts to the Australian Taxation Office (ATO)

From 30 June 2019, we will generally be required to transfer all or part of a super account to the ATO if the balance is less than \$6,000, the account has no insurance and there have been no contributions or rollovers for a period of 16 continuous months. If your account is transferred, you will be able to reclaim this from the ATO. The ATO will proactively seek to transfer monies to an active super account held by you. For further details about transferring inactive low balance super accounts to the ATO visit ato.gov.au.

Insurance cancellation

From 1 July 2019, we are required by law to cease providing the insurance benefit in your super account if no contributions or rollovers have been received into your account for a continuous period of 16 months, unless you have told us in writing that you want to keep your insurance. You can make an election to keep your insurance online at amp.com.au.

Additional changes mean that from 1 April 2020, we may also be required to cease providing the insurance benefit in your super account if the account balance is below \$6,000, unless you tell us in writing that you want to keep your insurance.

Before cancelling your insurance we will send you a notice including details of how you can elect to keep your cover.

Insurance update

As a result of legislation and legal obligations in the 12 months prior to 30 June 2019, a number of changes have been made to AMP's insurance offer, AMP Elevate insurance.

Indexation of plan fees

AMP increased their insurance plan fees in line with the Consumer Price Index (CPI) by 1.9%. Effective 1 January 2019, members either saw, or will see this change come into effect at their next policy anniversary.

Product news

Lower administration fees for MyNorth products

On 1 May 2019, we reduced the administration fees on MyNorth Super and Pension accounts for all new and existing clients. This reduction means lower administration fees across the Select and Choice investment menus. The new administration fees are:

Total portfolio value (\$)	Administration fee % pa based on investment menu ⁽ⁱ⁾		
	Core	Select	Choice
0 - 149,999	0.00	0.20	0.62
150,000 - 399,999	0.00	0.20	0.40
400,000 - 749,999	0.00	0.20	0.32
750,000 plus	0.00	0.17	0.27

Plus \$7.58 per month for each account you hold except for a non-commutable allocated pension (NCAP) account or an account with a guarantee where the account fee is waived.

(i) All fees are inclusive of GST, less any reduced input tax credits (RITC) where relevant.

Lowered the administration fee cap – The maximum administration fee (inclusive of any applicable account fee) an individual can incur across all MyNorth Super and Pension accounts has reduced from \$3,500 per annum to \$2,800 per annum (a saving of up to \$700 per annum per individual).

Lowered the overall administration fee cap for family groups – The maximum administration fees (inclusive of any applicable account fee) a family group can incur across their MyNorth accounts has reduced from \$4,500 per annum to \$3,800 per annum (a saving of up to \$700 per annum per family group).

Increased the number of members in a family group

From 1 May 2019, we've increased the number of members allowed in a family group from 4 to 6 members. This will allow more family members to combine their total balances, to benefit from the reduced administration fees applicable on family aggregated accounts.

Waived deferred fees (Summit and Generations)

On 30 June 2019, we waived any outstanding Summit deferred fee and Generations deferred entry fee liabilities members may have had on their account.

Closure of Westpac Term Deposit

Westpac Bank Corporation (Westpac) closed their term deposits to new investments from 25 August 2019 on the North Platform.

Westpac confirmed that all existing term deposit contracts held on the North Platform can continue their term until they reach maturity. Any existing instructions to reinvest principal only or principal plus interest, have been cancelled.

When your Westpac Term Deposit reaches maturity, the proceeds will be credited to your cash account and invested as per your standing instructions where applicable.

Please contact your financial adviser for further information.

Explanatory notes update

After a review of the annual and exit statements, we identified that the Customer Enquiries and Complaints section was missing from the explanatory notes issued between 16 February 2018 to 15 March 2019. All impacted members received a copy of the missing explanatory notes in their filing cabinet.

Changes to adviser fees and insurance premiums upon death

From 1 May 2019, once we are notified of a member's death, all insurance premiums and adviser service fee deductions will cease and will be reversed back to the date of the member's death.

Product administration fees and investment management costs will continue while a member's account remains open and are charged in accordance with the relevant PDS.

Website upgrade

On November 2019, we launched a major upgrade to northonline.com.au, the web portal where members can access information about their account. The changes make it easier to find important information about your account such as your account balance, investment performance, transaction history, insurance benefits and fees as well as statements or correspondences we send you.

MyNorth Managed Portfolios

MyNorth Managed Portfolios continues to diversify the choice of investment managers and portfolios available for members. The investment managers include our own AMP Research Team, Zenith Investment Partners Pty Limited (ABN 27103 132 672, AFSL 226872) and Quilla Consulting Pty Ltd (ABN 99 600 052 659, AFSL 511401). These investment managers have expertly constructed a range of managed portfolios that are designed to achieve different investment and risk objectives depending on if you are seeking to save and accumulate, receive regular income or a combination of these strategies. The range of managed portfolios will continue to expand so refer to the MyNorth Managed Portfolios PDS (which is an underlying PDS available through our products), or contact your financial adviser or the North Service Centre on 1800 667 841.

Annual update to the underlying costs of investment options

Fund managers are required to review and, if necessary, update estimates of management costs and transactional and operational costs based on the last financial year of the fund.

Any revised estimates may include costs that haven't previously been disclosed. In addition, estimates of costs that have previously been disclosed may have changed.

They also regularly review the fund's buy/sell spreads. Depending on the investment option(s) you hold, the underlying fund's buy/sell spreads may have changed.

For more detailed information about fees and costs of a particular investment option, refer to that investment option's PDS. Visit northonline.com.au to obtain the most up-to-date copy of the PDS provided by the relevant fund manager or contact your financial adviser.

Securities must satisfy the trustee's approval criteria

With the expanded number of listed investment companies (LICs), listed investment trusts (LITs), exchange traded funds (ETFs), exchange traded managed funds and listed bonds now on the market, the trustee now has provided access to more types of securities for you to choose from. To ensure the trustee meets its obligations under its investment policies and under superannuation law, these securities (for example LICs and LITs) must satisfy the trustee's approval criteria before they can be offered on the products' investment menus.

Please speak to your financial adviser for a list of the investment options available to you.

Consolidation of multiple accounts

Each year, the trustee will identify and review members who have multiple accounts within the fund. Where the trustee reasonably determines that it is in the best interest of the member, the member's accounts will be consolidated and the member will receive an exit statement. Members may be given the opportunity to choose not to consolidate their accounts.

Understanding your investments

Trustee's investment objectives and strategy

One of the main investment objectives is to achieve investment returns which meet or exceed stated targets for each specific investment option relating to a member's interest in the fund. The SIS Act requires the trustee to have an investment strategy in place in order to meet the investment objectives, taking into account issues such as investment risk and liquidity. Importantly, the trustee must be able to demonstrate that the strategy is being followed.

The investment strategy for the fund is to offer a range of discretionary investments that members can select from in line with their attitudes towards risk. The discretionary investments are made up of managed funds, term deposits and listed securities. An investment committee reviews and approves all investment options offered through the fund.

The trustee does not invest directly in derivatives for the fund. However, underlying fund managers may do so. Derivatives are securities that derive their value from other assets or indices. Most derivatives are characterised by high leverage, which means large profits and losses can occur due to movements in the underlying asset's price or index value. Examples of derivatives include futures, options and swaps.

Members are required to direct the trustee to invest their total assets into the managed funds, term deposits and/or listed securities they select from the MyNorth, North, Summit or iAccess investment options documents, or the Generations investment options PDS, available from northonline.com.au.

The specific investment objectives and strategies for each investment option offered by the fund is documented in the underlying fund manager's PDS for the managed funds or in the direct security company disclosure document for each direct security.

Asset holdings greater than 5%

At 30 June 2019, the following investment was greater than 5% of the fund's assets:

- Cash account 5.46%.

Net earnings—rate of return

Earnings on investments are reflected by a change in capital value plus any distributions, dividends and interest. Income distributions are generally paid into the cash account.

The wide choice of individual investments available to members means that earnings and performance vary from member to member. Please refer to your annual member statement for information about the earnings and performance of your particular investments.

For further information please contact your financial adviser.

Liquidity risk

Liquidity risk is the risk that your investment cannot be bought, sold, cashed, transferred or rolled over as quickly as you might wish. Different investments have different transaction processing times, and therefore different levels of liquidity risk.

Investment transactions, withdrawals, rollovers and transfers from your superannuation account are normally processed within 30 days of us receiving all the necessary information. Some investments, referred to as 'illiquid assets', require a longer period to be redeemed. This longer redemption period is imposed by the underlying investment manager because some or all of the assets within the investment are illiquid. Account fees will continue to be charged while invested in illiquid investment options.

Illiquid investment options are identified in the MyNorth, North, Summit or iAccess investment options documents, or the Generations investment options PDS, available from northonline.com.au

For more information, you should read the PDS for your chosen investment options.

Voting

Voting policy - wrap platform products

The AMP Proxy Voting Policy sets out the principles that NMMT, as appointed agent of N.M. Super, applies when exercising its voting entitlements on behalf of super and pension members. NMMT recognises that voting is a valuable right which should be actively managed and exercised in the best interests of all members.

A copy of the AMP proxy voting policy is available to members at amp.com.au/trusteedetails.

Why does NMMT vote on behalf of members?

From time to time, NMMT (as agent of the trustee) may vote on behalf of super and pension members in respect of corporate actions (for shares in companies) and scheme resolutions (for managed investment schemes) where these investments are held directly on behalf of registrable superannuation entity (RSE) members through a custodian.

How does NMMT vote on behalf of super and pension members?

In accordance with NMMT and N.M. Super's proxy voting policy, NMMT generally votes on behalf of N.M. Super if the outcome is assessed to have a material impact on the value of the underlying investments.

A summary of resolutions NMMT voted on for members is available at amp.com.au/trusteedetails.

Other information

Unclaimed super money

If an amount is payable to you or your dependant(s) and we are unable to ensure that you or your dependant(s) will receive it, we may be obliged to transfer the amount to the ATO.

We may also be required to transfer your account balance to the ATO if you become a 'lost member', or an 'inactive low-balance member'.

If your superannuation is transferred to the ATO, you, or your dependant(s) where relevant, will be able to reclaim it from the ATO. The ATO may also transfer money it holds into your 'active' superannuation accounts.

For more information on unclaimed super money, including lost members and inactive low balance members please refer to ato.gov.au or speak with your financial adviser.

Temporary residents

The following does not apply to Australian citizens, Australian residents or New Zealand residents and is limited to eligible visa holders. If you have entered Australia on an eligible temporary resident visa, you may claim your super benefits once you have permanently departed Australia.

Under super legislation if you do not claim your benefit within six months of departing Australia, your benefit may be paid as unclaimed super to the ATO.

You will not receive notification or an exit statement from your super fund. If this has occurred, you can claim your super money from the ATO. For more information visit ato.gov.au.

Compensation

There may be circumstances in which the trustee needs to pay compensation to members. There are four key principles that guide the trustee's payment of compensation to current and former members:

- the trustee should not benefit
- other members do not bear the cost of compensation
- compensation is paid to members in a manner that minimises the cost and inconvenience to those members receiving the compensation, and
- communication should be provided to affected members in all circumstances where the member would reasonably expect to be notified.

The trustee may decide not to pay compensation to current or former members where it considers the individual compensation amounts small.

Significant event notice register available

This register provides a summary of significant event and material change notifications issued to members of the Wealth Personal Superannuation and Pension Fund on behalf of N.M. Super for the last two years. The register is provided for information purposes, as required by legislation. All affected members are contacted directly within the timeframe prescribed by legislation and provided with additional information, as appropriate.

You can view this online at amp.com.au/trustee-information.

Super searches

AMP can conduct SuperMatch searches through the ATO with your authorised consent. The search requires the use of your tax file number (TFN), first name, surname and date of birth to locate details of any super held on your behalf by the ATO and/or the details of any other super accounts you may have with other institutions.

AMP will notify you if the search has been successful or not. We can also assist you in consolidating your super into your AMP super account(s) should you consent to doing so. You can complete a super search or consolidate online at amp.com.au/consolidate.

Payment of benefits to an eligible rollover fund (ERF)

An ERF is a special type of super fund that is able to accept benefits transferred from another super fund without a member's consent. Typically, an ERF has a conservative investment strategy, and the administration fees charged by the fund can't exceed the fund's earnings.

There are a number of circumstances in which your benefit in your super account might be transferred to an ERF. One situation is if your account balance falls below the minimum account balance required. We will issue you with an exit statement, and the ERF will write advising you that it has received your benefit and the options available to you.

We may also pay your benefit to an ERF if we lose contact with you and, after a reasonable time, are unable to locate you.

The trustee has selected the following ERF:

Enquiries and complaints process

If you need any additional information about the operation or management of your account, or if you have a concern or complaint, then please:

- contact your financial adviser
- call us on 1800 667 841
- email us at north@amp.com.au, or
- write to us at:

North Service Centre
GPO Box 2915
Melbourne VIC 3001

Our customer service officers are available to answer your enquiries and respond to your complaints. We will try to resolve your enquiry or complaint as quickly as possible. To help us do this, please give us as much information as possible about your enquiry or complaint.

We have established procedures to deal with any complaints. If you make a complaint, we will:

- acknowledge its receipt and ensure an appropriate person properly considers the complaint, and
- respond to you as soon as we can.

If your complaint cannot be resolved at first contact, then we will keep you advised at regular intervals of the status of your complaint.

If we cannot resolve your complaint to your satisfaction or you have not had a response from us within 90 days, then you may have the right to lodge a complaint with the Australian Financial Complaints Authority (AFCA).

The AFCA scheme has replaced the Superannuation Complaints Tribunal (SCT), Financial Ombudsman Service (FOS) and Credit and Investments Ombudsman (CIO). AFCA will provide fair and independent financial services complaint resolution that is free to consumers.

AFCA is an independent tribunal set up by the Australian government to resolve most complaints that members, former members, or beneficiaries in relation to death benefits, have with their superannuation funds.

AFCA reviews the decisions of superannuation trustees as they affect an individual member. It is independent from us. Even so, please try to resolve your complaint directly with us before contacting AFCA.

Contact details for AFCA are:

Web: afca.org.au
Email: info@afca.org.au
Telephone: 1800 931 678 (free call)
Mail: GPO Box 3, Melbourne VIC 3001

Time limits on making complaints to AFCA

Time limits apply to certain complaints to AFCA. If you have a complaint, you should contact AFCA immediately to find out if a time limit applies.

AFCA legacy complaints

From 1 July 2019 until 30 June 2020, AFCA will have jurisdiction to consider eligible complaints dating back to 1 January 2008. This is subject to conditions such as: that the complaint must not have been previously settled between the parties or previously been decided by court, tribunal, AFCA or a predecessor scheme; the financial firm must be a member of AFCA and the complaint not relate to the Privacy Act or a super death benefit.
