AMP Bank reduces interest rates across all variable rate home loans

AMP Bank has reduced its interest rates for new and existing customers across all variable rate home loans by 25 basis points.

The AMP Bank standard variable home loan interest rate will be reduced to 6.25 per cent per annum.

The changes come into effect from Friday 24 May for new customers and Monday 27 May for existing customers.

For more information, visit www.amp.com.au/bank or call 13 30 30.✍
